ABOUT AVV. PROF. ANTONINO LONGO

Avv. Prof. Antonino Longo is graduated with honours at the University of Catania, he studied abroad, specializing in Administrative Penal Law at the Catholic University of Tilburg (NL), in International Commercial Law at King's College, London (UK) and Suffolk University Law School of Boston (MA – USA), and also in European Private Law at Humboldt Universitaet in Berlin. He is author of over 80 scientific publications anche six books, and he is associated professor of Urban Planning law and professor of Public Procurement Law at University of Catania. He is a supreme court lawyer and he is the founder of the Firm ALLEX.

He mainly concentrates on Company law, Corporate, M&A, providing extraordinary and strategic operations consultancy as well as giving extrajudicial and in-court aid to companies and public bodies.

ABOUT ALLEX

ALLEX is a professional association of lawyers, tax and labour consultants characterised by the competence to offer assistance and consultancy, both extrajudicial and in court, in criminal, civil, administrative, fiscal and labour cases, to Italian and foreign companies, and public bodies.

“ALLEX represents the ideal professional hub for the development and safeguard of the interests of large, medium and small firms.”

By being offered a multidisciplinary approach and a complete and integrated range of highly professional services, our Clients are able to concentrate all the requirements regarding the management of their enterprise in a sole entity. Thanks to its consolidated presence in the area, ALLEX represents the ideal professional hub for the development and safeguard of the interests of large, medium and small firms that wish to make use of the services of a team of specialists characterised by cross-competences, able to respond to a wide spectrum of Client's requirements, in flexibility and versatility as well as providing dynamic consultancy. An innovative synthesis between the enterprise and the consultant designed to become a well developed and enhanced base for a true partnership through the sharing of goals and the careful, personal and rapid search for operative solutions.
